

**" The principal goal of education in the schools should be nurturing students who are capable of doing new things, not simply repeating what other generations have done. "**

## **Message**

Welcome to **Pragya** Sr. Sec. School, a vibrant learning community dedicated to nurturing the leaders of tomorrow. With a strong foundation built on the pillars of discipline, moral education and academic excellence; we aspire to provide a holistic educational experience for students.

At **Pragya**, we believe in empowering our students to achieve their full potential both academically and personally. Our rigorous curriculum, coupled with expert faculty in all subjects, ensures that students receive the best quality education. We are particularly proud of our comprehensive coaching programs for prestigious competitive examinations like IIT- JEE, NEET, NDA etc. guiding our students towards successful careers in the fields of their interest.

Beyond academics, we place a strong emphasis on character building. Our dedicated team of educators, comprising subject matter experts, is passionate about instilling a passion for learning in our students. They go beyond the textbook, fostering critical thinking, problem-solving skills, and a lifelong pursuit of knowledge.

**Pragya** invites you to explore the various opportunities it offers. Join us in shaping a brighter future, where academic excellence and character development go hand in hand. We promise that your child will find a nurturing and enriching environment at our organisation, where they can embark on a journey of discovery and growth.

## **Message**

Welcome to the Kindergarten Division of **Pragya**! We understand that these formative years are crucial, and we are dedicated to providing a stimulating and safe environment for your little ones to bloom.

Our kindergarten programme is designed to foster curiosity and dedication to learning. We offer spacious, brightly lit classrooms equipped with age-appropriate learning materials. Our dedicated play area (both indoor and outdoor) encourages physical activity and social interaction, which are essential for early childhood development.

We prioritise a holistic methodology, merging play-based learning with structured activities. Our curriculum focuses on developing foundational skills in literacy, numeracy and socio-emotional growth. Our well-equipped activity space provides an opportunity to the kids to explore their creativity through art, music and dramatic play. Our qualified and compassionate teachers ensure individual attention, nurturing each child's unique potential.

At **Pragya**, we believe in building a strong foundation for lifelong learning, ensuring your child's first steps into education are joyful and enriching.

We look forward to welcoming you to our family.

# Pragya Sr. Sec. School

Committed to give your Child, The Future Ready Advantage

प्रज्ञा स्कूल ने स्थापना वर्ष 1994 से ही क्षेत्र में विद्यालयी शिक्षा के साथ-साथ प्रतियोगिता परीक्षाओं जैसे IIT-JEE, NEET) की तैयारी हेतु छठी कक्षा से ही कोचिंग की शुरुआत की गई। अपने प्रयास से विद्यालय ने गत 31 वर्षों में उल्लेखनीय परिणाम दिए हैं। समय-समय पर विद्यालय ने विभिन्न पाठ्यक्रम लागू किए, वर्तमान में Resonance Kota का पाठ्यक्रम छठी कक्षा से 12वीं कक्षा तक विभिन्न प्रकार के Olympiad व अन्य प्रतियोगी परीक्षाओं की तैयारी हेतु लागू किया गया है। इसके लिए Expert Faculty की देख-रेख में नियमित कक्षाओं का आयोजन किया जाता है।

विद्यालय में प्राइमरी कक्षाओं से ही Scientific Temperament, Competitive Spirit व Vision विकसित किया जाता है। प्राइमरी के छात्र-छात्राएं अपनी विज्ञान, गणित व कंप्यूटर प्रयोगशालाओं में विषय विशेष की व्यावहारिक जानकारी Learning by doing method से प्राप्त करते हैं। विद्यालय का मुख्य उद्देश्य विद्यार्थियों के सपनों को उड़ान देने के साथ-साथ सर्वांगीण विकास करना व सृजनात्मक कौशल को बढ़ावा देना है।

## Mission of the School

**Our mission is to develop exceptional students and prepare them to serve as meritorious, ethical, wise and just citizens.** We believe that leadership skills, scientific temperament and life skills can be taught and decision making skills can be developed.

The teaching is not just about knowledge transfer, but about fostering excellence. We believe in opening the minds of the pupils. We guide them to learn by doing, stressing on the all-round development of a child's personality. The holistic education system of the school offers guidance in critical thinking, social openness and purposeful research. Students are given opportunities to develop their own talents as well as to be aware of national and global issues. The complete education system at Pragya is based on true Indian values with all modern techniques and technology for overall personality development of the students.

Each child is unique and is a treasure house of talent. Helping children discover, polish and bring forth their proficiency to the world, is the sole aim of education. The school provides wide exposure, training and platform through various Inter-House activities to showcase their talents. Whether it is curricular or co-curricular activities, students are given ample opportunities to identify and develop their abilities and areas of interest.

**"I have enjoyed every moment I spent at Pragya. I shall treasure every moment of my time here. The school has given me the necessary tools for my future which include the ability to learn anything I desire. I was able to progress with my subject due to my knowledge gained through synchronized study manual that includes Board syllabus as well as coaching modules offered from class 6 onwards. The test series and participation in various Olympiads gave me the ability to see what might confuse me and to overcome it. Co-curricular activities helped me a lot to overcome the stress of the studies."**

*Dr. Satish*

As our school logo represents, we strive hard to imbibe the values of Discipline, Dedication and Determination in our students.

# COMMITTED TO LIFELONG LEARNING IN A CARING ENVIRONMENT

**The Curriculum:-** We provide education with an objective to empower students to make decisions, to find creative solutions and to plan effective action strategies. The curriculum is structured in a manner that keeps our students in touch with the ever changing world trends, right from the beginning.

We constantly revamp, reinvent and re-evaluate the classroom and teaching strategy to impart the most appropriate education that your child deserves.

## The Growing Years (Class Nursery, LKG & UKG)

For the young children, the school **provides a child-friendly environment** that is safe, secure, caring and stimulating.

Students are encouraged to participate in class activities

such as singing, drawing and colouring, writing, group games, clay modelling, puzzles and recitations.

We focus on foundation for social, intellectual and physical development through play and structured activities.

Occasional nature walks and educational tours to the Zoo and Game Parks help the students develop a sense of openness towards the world.

## Primary Level (Class 1<sup>st</sup> to 5<sup>th</sup>)

A thematic approach is designed to stimulate the children through various interactive sessions and activities.

An extensive use of teaching aids to supplement classroom teaching is adopted.

The school develops children's competence in various skills - Listening, Speaking, Reading, Writing, Problem Solving, Collaboration, Communication and Observation.

Use of newspaper articles, quizzes, crosswords and other learning tools enhance General Awareness. Besides the regular NCERT curriculum and co-curricular activities the school puts emphasis on preparing the students for various Olympiads held by reputed organisations viz.-Science Olympiad Foundation, Unified Council of India.

## PTM (Parent-Teacher Meet) :-

There is a provision for Parent-Teacher Meet where the parents and teachers sit together along with the students to discuss their problems and progress, and exchange their opinions in this regard in a cordial atmosphere. Better solutions are thus arrived at through this mutual co-operation. If the child is not making the desired progress, parents are welcome to contact the Principal, Concerned HODs as well as the subject-teacher so as to discuss remedial measures that can be taken.

# Robotics & AI Lab

## New Addition This Year

## HOLISTIC BENEFITS FOR STUDENTS

### Logical Thinker

Designing and programming to solve missions provides students with a fun way to build competencies around computer programming and Robotics, while exercising their logical and analytical reasoning skills.

### Quick Learner

STEAM learning fosters quick learning by it's practical and pragmatic approach of teaching real life challenging situations.

### Concentration

STEAM-based Educational games can induce thinking abilities, thus ensuring the kids are engaged with the task. Head scratcher questions as well as logic puzzles for kids with answers can also help induce engagement, thus increasing focus levels.

### Problem Solver

Teach students how to think critically and how to solve real-life problems — skill that can be used throughout life to help them get through tough times and take advantage of opportunities whenever they appear.

### Effective Communicator

Establish communication skills by the activities like critiquing art, presenting research, collaborating with peers for group projects, and hence results in brainstorming.

### Mindset

Develop mindset and help the kids to be like a scientist or researcher.
